

SCHOOL TOURS 2015

The Historic Site is open Thursday to Monday in April, September and October. We are open daily in May, June, July and August. November to March we are open for pre-booked tours only. Just off scenic Highway 7 at 215 Kilby Road in beautiful Harrison Mills, B.C. is the wonderful **Kilby Historic Site**, a five acre living history site with costumed interpretation of the 1920's. Take a guided tour of the **1906 General Store Museum, Post Office, Manchester House Hotel**, surrounding heritage buildings and working farm. Feed our **friendly farm animals** including Jersey cows, lambs, piglets, turkeys, ducks, chickens and our mischievous goats. Kilby Historic Site is located **thirty minutes east of Mission**, and **twenty minutes west of Harrison Hot Springs**, off scenic **Lougheed Highway 7**. Facilities also include **Kilby Park** located on scenic Harrison River, walking distance from the museum. The Park features a beautiful 28-site campground, day use area, sandy beaches, nature trails and boat launch.

Kilby Tour A: Lock, Stock and Cracker Barrel (K - Grade 3)

\$9.00/student (90 minutes)

Our friendly, costumed interpreters will lead a fun and highly interactive program that explores the operation of a 1920s general store and farm in a rural Canadian community. This **three-stationed** program begins with the unique experience of shopping in the 1920s in our General Store Museum. The farmhand then guides the students around our living history farm, where they learn about rural life during BC's early years. Finally, students are encouraged to use their imagination as they explore the Jr. Merchants Playroom. Please ask for our "Teacher's Package" for a full, detailed description of the tour and its objectives.

Kilby Tour B: 1920s Heritage Tour (All ages)

\$7.00/student (60 minutes)

In this program, your class will be divided into **two groups**. One group is guided by a costumed interpreter through the General Store Museum, learning about country life during the 1920s. The other group explores the farmyard, with help from the farmhand and encouragement from our friendly farm animals.

Optional Experiences - \$3.00 extra/student

Ice Cream Making

Students have a first-hand experience at making ice cream the old-fashioned way! This fun and interactive demonstration allows students to learn by instruction and participation. The reward for their hard work is a sample of the real ice cream they themselves have made. (30 minutes)

Cider Pressing

Students see how apples turn into juice on our 110-year old cider press. They can try their hand at pressing the apples and listen to the stories shared as the old cider press is used once again! (30 minutes)

Walking Tour

In this walking tour, students learn about Harrison Mills and the surrounding area's unique culture. The students will be introduced to our region's geography and industry. Archival photographs will reveal the need for the extensive dyking system in place today. (30 minutes)

All school programs have been developed based on BC School Curriculum guidelines.

Programs can be tailored to suit your specific time, grade level and budget constraints.

Kilby Historic Site is a provincially designated BC Heritage site.
