Ice Cream demonstration: The children have a first-hand experience at making ice cream the old-fashioned way! This fun, interactive demonstration lets children taste the homemade ice cream, as a reward for their hard work.

Museum tour: This interactive component allows the birthday child to lead a tour with the costumed interpreter as they search the museum for clues on this scavenger hunt.

Craft Activity: We can set up a craft activity based on your child's interests. This activity is led by a costumed interpreter and everyone goes home with a memory of their day.

Themed Piñata: The piñata game will be set up in the Orchard hanging from one of our fruit trees. A costumed interpreter organizes activity for you, and of course includes candy!
