

Step into the Story!

Looking for a trip back in time? Join us at the Kilby Historic Site.

A range of year-round On-Site and In-Class programs will complement your curriculum and create an unforgettable classroom adventure. Led by a costumed educator, British Columbia's early rural history is brought to life as students immerse themselves in hands-on learning.

Minimum charge, 20 students.. Teachers, no charge. One chaperone free per 5 students.

On-Site Programs

Junior Merchants gr. 1 - 4

\$11 per student plus GST (90 minutes)

Step into an original 1906 General Store and Hotel to uncover the role it played in early communities. Students will become junior merchants and help fill a grocery order. Hands-on learning at its best!

Harrison Homesteaders gr. 3-6

\$15 per student plus GST (2 hours)

Experience a day in the life of a homesteading child. Step into the role of a child from 1906 where there is always work to be done. From tin piercing to biscuit shaping and butter churning, these hands-on activities will illustrate the challenges in the everyday lives of children living in Harrison Mills. *Classes are encouraged to dress up in period clothing.*

Guided Tour All grades

\$11 per student plus GST (90 minutes)

Bring your curriculum to life. These 90 minute guided tours are customized to align with your learning objectives and to provide your students with the most meaningful experiences. Tour focus can include farm animal care, flooding and dykes, and fun group building activities.

NEW Kilby Little Farmhands Kindergarten - Coming Soon

Reserve your program 604-796-9576

Kilby Historic Site and Campground, 215 Kilby Road, Harrison Mills, BC

Add-on Experiences (all grades)

\$4 plus GST per student (45 minutes each)

Ice Cream Making (April to June)

Roll up your sleeves and get ready to make the freshest ice cream ever! Everyone helps churn cream and sugar into a tasty treat. This fun and interactive activity is great for all ages and the reward for their hard work is a sample of their freshly churned ice cream.!

Butter Making (Year-Round)

Using an original butter churn, all hands are needed to turn heavy cream into delicious butter. Fresh bread and self-made butter complete this program.

Apple Cider Pressing (September to November)

Students try their hand at turning apples into juice using our century-old Apple Press. Stories and samples are the reward for their hard work.

Can't make it to our Site?

Let us bring history to YOU!

New Programs Coming in 2025 gr. 1 - 6

Price TBC (90 minutes)

Online programming

Timeless Fun and Games gr. 1 - 6 December Only

\$8/student plus GST (90 minutes)

Toys and games have been used for centuries to educate and entertain. Students rotate through activity centres experimenting with optical illusions, gravity toys, and table-top games. Students will make or colour their own take-home toy. Additional help is required.
